

RETIRED MEMBERS CLUB
Communications Workers of America
Local 6222

Dear Retired Member:

We are extending an invitation to you to join our Retiree Club. Your membership and support maintains the strength and growth of our Retired Members Club of CWA Local 6222. Our goal is to focus on issues affecting our retirees. Please view our CWA Local 6222 retiree website on www.cwa6222.com and click on the retiree tab.

CWA will do everything possible to make you aware of changes. Our Retiree Facebook page is CWA Local 6222 Retiree Group. The local's officers, at our meeting, also bring us current information of things happening at AT&T that affects our CWA members.

If we are aware, we send cards to members that are sick, hospitalized, or experiencing grief. We also present a plaque to the family in the memory of our retiree who has passed on. We have a memory book of our deceased RMC members and second Facebook post "in memory of SBC, SWBT, and AT&T employees" for viewing and to notify us of recent members passing.

Our annual dues are only \$10.00, and we request a voluntary COPE donation of a minimum amount of \$5.00. Please participate in both. No dues money can be used for COPE (Committee on Political Education.) Checks or money orders are made payable to CWA Retired Members Club (RMC).

Our monthly meeting is held at 10959 Ella Boulevard in the Meeting Hall on the 2nd Wednesday of each month at 11:00 am. Door prizes are given. After the business meeting, we enjoy a covered dish luncheon and fellowship. If time permits, we play 2-3 games of bingo.

Sincerely and in Solidarity,

Bessie Mansfield, Director * Stan Millican, Co-Director
Eva Marron, Secretary/Treasurer
